

Something to Smile About...

With sincere appreciation to our patients and friends, it gives us great pleasure to share some exciting news at our Practice.

We have added a new procedure to your dental hygiene visit – **The Laser Cleaning**. This quick and painless state-of-the-art technology will keep the bacteria in your mouth at the lowest level possible to alleviate bad breath and give you a sparkling smile.

There's nothing better than proper dental hygiene to keep your mouth healthy and your smile bright.

Our hygienist can't wait for you to experience this exciting new technology!

Our mission: "Help people to feel good about themselves by applying our skills and artistic talents to restoring, maintaining and enhancing their smiles."
