

# Arlington Adult Dentistry

Stevan Orser, DDS, AAACD | 1845 E. Rand Rd., Ste. 200 | Arlington Heights, IL 60004 | 847-870-8820 | www.stevanorserrdds.com

"If you could wake up tomorrow morning and magically have the perfect smile, how would your life be different?" This is how Dr. Stevan Orser begins his consultation with every new patient. He knows that when he is crafting the perfect smile, he is positively impacting his patients' lives. So while his patients love him for his gentleness and humor, they also respect him for the time, attention, and personalized service that he gives to the lives he touches with his artistry and skill.

Dr. Orser provides comprehensive dental care to adults with particular emphasis on cosmetic, bite function, and restorative dentistry. He has achieved the prestigious Accredited Member status with the *American Academy of Cosmetic Dentistry* (AACD). This accomplishment is currently held by fewer than 300 dentists worldwide, and is an attestation of his advanced clinical skills.

One of the most compelling testaments to Dr. Orser's talents is the fact that some of his patients are dentists and dental lab technicians, who fly in from all over the country to let him transform their smiles.

Dr. Orser believes his greatest accomplishment is that the beautiful smiles he creates are more functional than his patients' original teeth and require less maintenance. This is one of the reasons Dr. Orser's patients trust him with their dental aesthetic needs.

*Imagine how different your life would be if you were one of Dr. Orser's patients.*

**Call Dr. Orser today for your complimentary one-hour exam.** Offer includes digital photographs, jaw joint examination, decay and gum disease assessment, bite exam, and a cosmetic consultation.
